W.P.(C) NO.26201 of 2007

Dated this the 24th day of August, 2007

JUDGMENT

The petitioner is an establishment which intends to employ Head Load Workers. Head Load Workers Act and Rules contemplate registration of such workers. The petitioner's contention is that the workers engaged by the petitioner has filed applications for registration under Rule 26A of the Head Load Workers Rules which are not being considered by the first respondent. However, the learned counsel for the petitioner seeks permission to withdraw the writ petition without prejudice to the right of the workers themselves to approach this court for the reliefs. Permission is granted. The writ petition is therefore dismissed as withdrawn without prejudice to the right of the workers themselves to approach for the reliefs prayed for in this writ petition.
